Case No. 08-35653-KRH

Debtors Thirty-Sixth Omnibus Objection to Claims (Short Term Incentive Plan)

Claim 14432

Claimants Name: Laura McDonald

Dear Sirs,

Per the notice of deadline for filing an objection to the disallowance of certain claims relating to short-term incentive plan I am filing an objection to the disallowance.

I am filing an objection to the disallowance of the short-term incentive plan. As a Director with Circuit City Stores Inc., I participated in the CC Management Incentive Plan. This plan states that the results will be based on the fiscal year beginning March 1, 2008 and ending February, 28, 2009. The plan is split between individual performance and Company performance in a 50/50 split. Individual performance is based on achievement of performance objectives set with my leadership team. The objective rating for the achievement of the performance objectives would need to be a 3 or higher to receive payout. I met my personal objectives set by my leader and was rated a 4 as of the mid-year process and was employed by the Company through February 28, 2009, the end of the plan period. In order to be eligible to receive the pay out of the plan dollars the associate needs to be employed through the pay out date that in past years typically occurred in early May. In May, due to the Company bankruptcy declaration, there was a change in control. The change in control clause on outstanding awards states that as long as I am employed on a full time basis with the Company through and including the date on which a Change of Control of the Company occurs, then any restrictions on my outstanding awards shall lapse as of such date. I was employed on a full time basis as of the date of the bankruptcy declaration. Below is the calculation of the individual award.

Calculation of Award:

Base Pay = \$171,000

Annual Incentive target = 30%

Short-Term (Annual) incentive target = \$51,300

Individual Performance Award (50% of above)= \$25,650

Sincerely,

Laura McDonald
